3rd Annual CF Field Day August 9th 2003

It's time for another WWSC field day, and for the third year in a row, we are teaming with the **Cystic Fibrosis Foundation**. Our first two years with the CF folks have been hugely successful, raising over \$50,000 to help find a cure for a disease that is so devastating for children and their families. The foundation supports a broad range of medical research to achieve its mission of finding a cure or control for cystic fibrosis and to improve the quality and length of life for people with the disease. The CF Foundation gets consistently high marks for their efficient use of research dollars. We are indeed proud to be supporters of this cause.

Our festivities will start **Friday night**, August 8th, with the **Camouflage Ball**. Featured will be live and silent auctions, and raffles.

Saturday will be our **Field Day** outdoor events. All of our rifle, pistol and archery ranges will feature shooting events where you can qualify to win some great prizes.

Kids activities will include BB gun and archery shoots at balloon targets, as well as our annual fishing derby. Make sure you bring the little ones early for that as the fishing gets started at 7:30

Shooting events for the grownups will be our 200 meter water bottle shoot, steel plate shoot, sporting clays, trap and skeet. You can also learn how to make an arrowhead or throw a spear. Angela Kline will give a demonstration

of her archery skills. The archery ranges open at 9:30 while the rifle and pistol events start at 10:00. Bring your favorite firearm or bow and test your skill!

Once again, Ted Nugent will be giving away a boar hunt to a lucky raffle winner. Ted has also donated several signed copies of his books to be given away at the field day event. Scent-Lok is back again as a major contributor. Sponsorships, either individual or corporate, are available. Call the CF Foundation at 800-968-1050, or visit the event website: www.huntingforacure.com.

Various local celebrities will be in attendance also as this is truly a community event. So come on out and bring your friends for a great day at the range helping a great cause.

Landscape Help

As the finishing touches are put on the interior of our new clubhouse, we would like to spruce up the exterior a bit. We are looking for some help with the landscaping. This could be from either a professional or amateur gardener. If that description fits you and you would like to offer your services, call Mark Thue at 791-2128.

Charter Range

All charter members should take note that the Walker Police Department has been given permission to use the 200-meter range one Monday each month, from 10 to 6. The dates are:

July 14
August 11
September 22
October 20
November 17
December 15

The officers conduct tactical shooting drills on the range, so it is closed to members use during that time. In case of inclement weather, alternate dates may be scheduled. Please refer to the calendar, and thanks for your cooperation.

Buy a Brick

As work continues on the walkway and patio outside the clubhouse, we are offering engraved bricks to show your support of the fine efforts involved in the new construction. Bricks are \$50 each, engraved with your personal message. See the back page for details.
