## Gun Show

Due to a scheduling conflict, last month's gun show at the WWSC clubhouse was moved to **Saturday, October 16**. We're sorry for any inconvenience the date change may have caused. Show hours are 9 to 4, and the price is a reasonable \$3, or \$2 if you show your current WWSC membership card. Call Rick Heyt at (616) 677-3558 or [heytrw@altelco.net](mailto:heytrw@altelco.net) for more information or to reserve a table. We'll have space available outside for large items. # Shooting News

The shooting season has ended for the Silhouetters and the Steel Plate shooters. By all accounts, both venues were kept busy all summer long.

We added Cowboy Action Shooting this year, and we are going to continue on through the fall and winter with the monthly shoots as weather permits. The October match had 22 shooters go to the line. A fine lunch of Polish dogs, chips and slaw was served to all competitors. All you Buckaroos and Buckarettes can mosey on down Sunday, November 7 to sling some more lead. Thereafter, the match date may move from the first Sunday of the month due to popular demand. Watch the website or the newsletter for updates. Call Chuck Tenbrink at 458-6903 for more information.

## Silhouette Match 8/04

It was an excellent day for shooting at our fifth match of the season. The weather was great, with temperatures well below our average for August. A total of 14 shooters had a lot of fun shooting, keeping the target setters busy pretty much all day.

Some good scores were turned in by a few of the shooters. Gary Peake shot a leg up in Field Pistol PAS with a near perfect score of 39 while Jonathan Reck also shot a leg up in Field Pistol PAS with a score of 32. Bill Clark (as usual) shot another perfect 40 in Small Bore UAS. I've lost count as to how many times he's done that. Congratulations to you guys! Excellent shooting. Don't forget to mark your IHMSA cards!

Once again I would like to thank all of you shooters who came out to shoot. Thanks to Dave and Michelle Krysiak, Chris, Dennis, John Strodbeck, and Dan for their help in running the match and setting targets. Hope to see everyone again at our last match of the season in September.

## Ted Nugent Hunt

Charter member, Chuck Tenbrink, was the winner of a wild boar hunt at the Ted Nugent ranch this past February. Chuck won the hunt at last year's field day. His quest for the boar started with a pretty quiet morning, but later, the guide moved him to a new spot and said, "Watch out for those rocks, some of them have hair!" Well, it didn't take long for 'ol Chuck to figure that one out, and before he knew it, a large trophy boar stood up. Chuck was able to get off a couple of shots with his bow, one of which found its mark. The boar did manage to scamper off, but Chuck tracked him down and finished the deed with his .44. A big thank you to Ted Nugent for his donation of the wild boar hunt. Ted is an avid hunter and outdoorsman who diligently fights to protect our hunting and shooting rights. Thanks for sharing your story with us, Chuck.
