NEW NRA Class: *Personal Protection Outside the Home* - Course details

This intense training program is a two part process.

Step One: This nine hour class is an intermediate level shooting course. This basic course offers the essential knowledge and skills that must be mastered in order to carry, store and use a firearm safely and effectively for personal protection outside the home

Initial Lessons (9 hours) include:

Introduction to Concealed Carry Safety and Defensive Mindset

Introduction to Self Defense and Concealed Carry
Legal Aspects of Concealed Carry and Self Defense
Carry Modes and Concealment

Presenting the Handgun from Concealment
Presentation, Position and Movement

Step Two: To learn to use a defensive or (flash) sight picture, to fire both single shots and aimed pairs from various shooting positions, to shoot using a center-of-mass hold, to effectively use cover and concealment and to employ point shooting and multiple target engagement techniques. Upon completion of Step One, the optional advanced five hour course covers:

Special Shooting Techniques:

Hip shooting

Moving rearward

Standing to kneeling

Sitting to standing

Standing to facing 90 degrees to the target

Engaging a target at extended range

Standing to rollover prone

Under low light conditions
