Shotgun Fun Shoot Rescheduled For Saturday, July 11

Saturday, July 11 we will be having a shotgun fun shoot on the charter range. We will be using targets from the plate shoot to hold this event. We have steel plates that swing, plates that fall over, and bowling pins to blow out of their stands.

Any gauge is welcome. Any shotgun style is welcome. From single shot to semi, it doesn't matter. The only stipulation is that you are allowed only number 8 shot or number 9 shot. The reason being is that you will only be 36 feet from the targets. This way there is little chance of the shot coming back and causing injuries. It will be set up like a normal plate shoot, with twelve targets for the main event, so those wishing to compete can do so. Otherwise, just come on out and smack some targets with lead.

Starting time for this event will be 10:00 am. Cost for this \$5.00. This lets you shoot this stage all day, or until we get tired and throw you out. We might have one or two side events that will also be \$5.00 each. We ask that you get there at ten so we can go through the safety rules and course description. But we'll squeeze you in if you get there later.

Everybody is welcome to shoot this. You do not need to be a member to participate. So bring your buddies and see who can outshoot whom.

Please keep in mind that this is weather dependent. If it is raining or threat of rain, the event will be rescheduled.

If you have any questions, please contact me at pl8shootr@sbcglobal.net. Hope to see you Saturday July 11 at 10:00 am.

Chris Hackett

West Michigan Walleye Club

We meet the 3rd Monday of each month at WWSC 7:30 **PM**, anyone can come to a meeting to see what we are all about. We have a speaker at every meeting, Pro walleye fishermen, Charter captains, DNR, etc.. Our dues are \$25.00 a year which includes fishing our club tournaments which is just a point system with plaques given out for winning; these are no money tournaments. We also have around 9 newsletters a year. Our first meeting at WWSC will be July 20,2009.

Good News For The Pistol Shooters! As of Thursday, June 11th, the pistol ranges have reopened for shooting. What used to be the 15 yd (45 ft) range has now been upgraded with the safety features and is set up as a 50 Ft and 25 Yd range.
