Shotgun plate shoot

Saturday, April 10

Saturday, April 10, we will be having a shotgun plate shoot on the charter range. We will be using targets from the handgun plate shoot to hold this event. We have steel plates that swing, and plates that fall over. Any gauge is welcome. Any shotgun style is welcome. From single shot to semi, it doesn't matter. The only stipulation is that you are allowed only #8 shot or #9 shot. The reason being is that you will only be 36' from the targets. This way there is little chance of the shot coming back and causing injuries. It will be set up like a normal plate shoot, with twelve targets for the main event. This is not a true competition. The only person you will compete against is yourself. Otherwise, just come on out and smack some targets with lead. Starting time for this event will be 10:00 am. Cost for this is \$5.00. This lets you shoot this stage all day, or until we get tired and throw you out. We might have one or two side events that will also be \$5.00 each. We ask that you get there at ten so we can go through the safety rules and course description. But we'll squeeze you in if you get there later. Everybody is welcome to shoot this. You do not need to be a member to participate. So bring your buddies and see who can outshoot who. Please keep in mind that this is weather dependent. If it is raining or threat of rain, the event will be rescheduled. If you have any questions, please contact me at pl8shooter@sbcglobal.net. Hope to see you Saturday, April 10, at 10:00 am. Chris Hackett

Steak Night will be Wednesday April 14th at 6pm. Just \$6 for a delicious steak, potato, roll and veggie.
