Shotgun plate shoot

Saturday, May 15th

We had a small but enthusiastic crowd at the first plate shoot of the year. You couldn't ask for better weather, sunny and near 70. Since this wasn't a competition there won't be any scores posted, but most people were happy with what they did. Just about everybody improved their times with every run they completed.

We also had some very fast times on the El Presidente. Unfortunately some of them were ruined by some misses. Yes folks, it is possible to miss a target at 36 feet with a shotgun. But it was still a lot of fun.

ATTENTION: Due to scheduling problems the next shotgun plate shoot will be rescheduled for Saturday May 15. The normal date of the second Saturday of the month cannot happen due to outside commitments. So the next shoot is for the third Saturday of May. As always anybody is welcome to attend this function. You do not need to be a member of this club to participate in the plate shoots. The only requirement you need is a shotgun and up to 75 rounds of #8 shot or #9 shot. Nothing larger will be allowed due to the close distance of the targets. If you do not plan to shoot both events you can get by with 50 rounds. But, why not? Both of them are a riot, and I guarantee you will have a great time. We usually wrap up by around 2:00 to 3:00 pm, so plan accordingly. Bring a friend, and compete against them. Loser buys the refreshments. Or whatever you decide to wager. Again, the next plate shoot is the third Saturday of May, the 15th. If you have any questions, you can contact me at pl8shootr@sbcglobal.net. Hope to see you there.
