Shotgun Plate shoot Aug 14th, 2010

The next shotgun plate shoot will be on Saturday Aug14th starting at 10:00 am. As usual, we will be having two events for this. The main event, which consists of twelve targets, and the El Presidente, which has a total of six targets. Only #8 and #9 shot is allowed due to the short distance to the targets, and for safety. Two boxes should suffice if you only shoot the main event, but three boxes will do if you shoot both events. At only five dollars per event it would be silly not to shoot both. You will go through each event three times and we will document your times for each run through. This is not a competition where you shoot against other people. You will only compete against yourself. Because of this, any shotgun style or gauge is welcome. You need not be a club member to participate. So bring a buddy or two and have a ball shooting steel plates. As usual, this event is weather dependent. If it's raining or threat of rain, the shoot will be canceled. We normally wrap it up around 2:00 so plan accordingly. We hope to see you there. If you have any questions please feel free to contact me at pl8shootr@sbcglobal.net.
