### Newsletter Update

West Walker is in the process of sending the monthly newsletter via email instead of US Mail. The cost of printing and mailing the newsletter is substantial, and the savings realized will help with improvements to our club. There is a new link on the website's home page ([www.wwsc.org](http://www.wwsc.org)) for you to submit your email address and indicate your areas of interest, or you can send an email to [www.wwscnewsletter@wwsc.org](mailto:www.wwscnewsletter@wwsc.org) You will receive your newsletter approximately one week earlier than by US Mail. By having your email address on file we can also notify you of any range closings, upcoming events in your area of interest, and club closings. Your email address will be kept confidential.

Please help us "go green" and submit your email today. For those of you without email addresses, rest assured, you will continue to receive your monthly newsletter via US Mail. Don't forget, you can always see the most current newsletter as well as past newsletters at [http://www.wwsc.org/News/Newsletters/newsletter\\_page.htm](http://www.wwsc.org/News/Newsletters/newsletter_page.htm)

### WWSC 2010 DNR Deer Check Station Schedule

### **WWSC V.P. SHOOTS TRESPASSER ON CLUB PROPERTY**

WALKER, MI Subject was observed on the property approximately 5 p.m. Saturday afternoon. The club's vice president, Rich VanderMeer, made repeated attempts to get the subject to stop and show his membership card. It was apparent that he was not going to stop or show proof of membership.

WWSC has posted signs around the borders of the property stating "NO TRESPASSING". Rich made one last attempt to call out a warning, and that is when the subject decided to change direction and head directly toward Rich.

It was at that time that Rich's patience was exhausted. Rich drew down on him and shot. His aim proved true – right through the heart (per the autopsy performed later that night) – and the subject dropped. Later Rich was quoted as saying "That's what we practice here – 'always hit your target'."

There was not much more to do, but contact the authorities. Rich did so on Monday morning. The DNR officer, posted at the club house on Mondays, stated it was a fine looking 1 ½ year old 5 point buck. Well done, Rich!

### Trap and Skeet

Please note that there WILL be Trap and Skeet held during the normal days during rifle deer season Nov-15<sup>th</sup>-30<sup>th</sup>. We are normally closed during this time but thanks to some volunteers we are able to stay open this year.
