NRA Classes

FOWWSC is proud to offer 4 NRA training and shooting events. The cost for these classes was originally \$50 for First Steps, \$20 for Youth Skeet/Trap, \$50 for Women on Target and \$111 for RSO, but the Michigan Gun Owners has generously donated the funding for these events and WWSC is providing the use of their facilities, so they will be offered completely free of charge, which even includes your ammo. So if you want to learn about firearm shooting and safety, this is a great opportunity. No prior experience is necessary and you do not need to be a member of WWSC.

Classes will be conducted by a NRA master training counselor, and are limited to 25 applicants each. If you are interested, email Barry Anderson at Barry45acp@aol.com for details and reservation forms. Pre-registration is required.

West Walker's Wobble Weekends

What the heck is Wobble Weekends ? Each weekend in September, we will mix assorted colors of birds (like pink or green....who knows what we will come up with) in with the orange birds for wobble trap. For each non-orange bird you break you will be given a ticket. At the end of the month we will draw three tickets to split the pot 50/30/20. The entry fee is \$5.00 and must be paid before you can collect any tickets. The entry fee is paid only once, and is good for the entire month. For each line you shoot, you pay your normal line fee PLUS one dollar extra. Shoot as MANY lines of wobble trap as you want, on any weekend in September. Join ANYTIME during September, the earlier you join, the better your chances of winning.

New Antler Point Restrictions in Northwest Lower Peninsula

This fall, deer hunters in the 12 northwest Lower Peninsula counties of Antrim, Benzie, Charlevoix, Emmet, Grand Traverse, Kalkaska, Lake, Manistee, Mason, Missaukee, Osceola and Wexford will have to count antler points before they shoot a buck. The regulation, enacted by the Natural Resources Commission this past June, requires hunters to make sure antlered deer have at least one antler with a minimum of three points, with each point at least 1 inch long. A similar rule has been in effect in Leelanau County the last ten seasons. A DNR survey of deer hunters in the 12 affected counties showed a 69 percent approval rate of the regulation, which is intended to leave next year's herd with a larger number of older bucks. Throughout Michigan, all hunters that harvest two antlered deer must ensure at least one has four or more antler points on one side, and this requirement will remain in place within these counties.

Pin Shooting

will resume Sept 10.
Every Tuesday at
5:30 on the 7 yard
range. See you there !

We are looking for responsible people to volunteer their time in 4-6 hour shifts to check memberships on the rifle & pistol ranges. If you are retired or have free time during the weekends and share an interest in promoting a safe shooting environment, please contact Don Mize by email at indmize@yahoo.com Monitors will receive free annual memberships.
