**Support and Pray
For Our Troops**

West Walker will be hosting the MUCC District 5 Team Trap and Skeet shoot again this year. The shoot will run Saturday July 18 and Sunday July 19 from 10:00 AM to 4:00 PM. This event is open to the public, so round up enough people for a 5 person team and sign up. The events offered are skeet and trap. Your team can participate in one or both, we encourage you to enter both events. Each event consists of 2 lines (50 birds) and the team registration is \$80.00 per event. Everyone is invited to participate and/or watch. Food will be available. You do NOT have to be a member of West Walker or any other club to participate.

We are looking for teams to shoot and members to help work this event. This brings our fellow shooters in from other clubs, and gives us an opportunity to show them some West Walker hospitality and a good time shooting.

Charter Appreciation Day

Charter Appreciation Day is a time we dedicate to our charter members for all the hard work and countless hours they work to make our club a safe and fun place for everyone. We encourage charter members to come and bring their spouse, kids and grandkids for this fun event. There will be plenty of food and fun games for the kids. Please let Leon Steele know how many kids you will be bringing so we can have enough prizes for all of them. The date is Saturday, August 8 at 3:00.

Hunter Safety

West Walker is proud to support the DNR Hunter Safety program. Instructors are certified by the Michigan Department of Natural Resources. Our instructors volunteer their time and expertise to teach and make hunting the truly safe sport it is.

This is a twelve hour course consisting of both classroom instruction as well as practical hands-on training. Class work consists of learning and understanding the hunter safety book, various demonstrations, and the written safety test. Students are also given hands-on experience with shot guns, pistols, and .22 rifles as well as the safe way of crossing a fence, walking in a field with other hunters, and removing a firearm from a vehicle.

We offer two Hunter Safety classes every year, one in July and one in August. Sign up for classes begins in May. Class size is limited so be sure to sign up early to reserve your spot. The cost is \$8.00 and you must pre-register. **Attendance on all 4 dates is mandatory.** To register or for more information please contact Ron Kobel at 453-3645.

Michigan confirms state's first case of chronic wasting disease in free-ranging white-tailed deer

The Michigan departments of Natural Resources (DNR) and Agriculture and Rural Development (MDARD) today confirmed that a free-ranging deer in Meridian Township (Ingham County) has tested positive for chronic wasting disease (CWD), a fatal neurological disease that affects white-tailed deer, mule deer, elk and moose. This is the first time the disease has been found in Michigan's free-ranging deer population. In 2008 a white-tailed deer from a privately owned cervid (POC) facility in Kent County tested positive for CWD.
