Hunter Safety

West Walker is proud to support the DNR Hunter Safety program. Instructors are certified by the Michigan Department of Natural Resources. Our instructors volunteer their time and expertise to teach and make hunting the truly safe sport it is.

This is a twelve-hour course consisting of both classroom instruction as well as practical hands-on training. Class work consists of learning and understanding the hunter safety book, various demonstrations, and the written safety test. Students are also given hands-on experience with shotguns, pistols, and .22 rifles as well as the safe way of crossing a fence, walking in a field with other hunters, and removing a firearm from a vehicle.

We offer two Hunter Safety classes every year, one in July and one in August. Sign up for classes begins in May. Class size is limited so be sure to sign up early to reserve your spot. The cost is \$8.00 and you must pre-register. **Attendance on all 4 dates is mandatory.** To register or for more information please contact Ron Kobel at 453-3645.

Hunt Safely!!!

| 2016 Hunter Safety Class Schedule | |

| Saturday, July 23 9:00 am – 1:00 pm | Saturday, Aug 27 9:00 am – 1:00 pm |

Email Address (Yours)

WWSC asks for your email address on our membership cards when you purchase or renew a membership.

We use your email address to send monthly newsletter notifications, special event emails such as our annual Big Gun Raffle and Sportsman's Banquet, and a renewal reminder when your membership expires. As with all of your personal data, your email address will be kept confidential and never be sold or shared with anyone.

If you have been getting a monthly newsletter notification, then we have your current email on file and we thank you. If not, either you didn't provide one or sometimes they are difficult to read and get entered wrong. If you have an email address, you want to share with us, please submit it to memberships@wwsc.org along with your name and/or membership card number so we can update our records. As sportsmen and sportswomen, we choose to enjoy the natural resources this great country has to offer and the burden of preserving those resources falls on our shoulders. Saving paper means saving trees. In addition to saving trees by not using traditional "snail mail" to send notifications we would be saving countless gallons of fuel thus preventing further air pollution. In addition, the monies saved by using email goes directly back in the club's pocket and is used to maintain and improve the club for all our members.

Sportsman's Pledge – "I give my pledge as an American to save and faithfully defend from waste the natural resources of my country: its air, soils, and minerals; its forests, waters, and wildlife"
