West Walker Sportsman's Club

A note from the president September Edition

Greetings fellow club members, I hope everyone has had a great summer. Mine has flown by and I only did a fraction of what I normally do. Hopefully next year will be better. We at the club have discovered several club members bought muzzle-loading guns and never learned how to use them. Sometimes learning to use a muzzle-loader can be a daunting task. I have found, in teaching muzzleloading, that it really helps having an experienced shooter help someone who is just starting out. If you're someone who would like to get into shooting muzzle-loaders, the club has a way to help you. On Monday nights, between 5 and 7:30pm, a group of us meet to shoot muzzle-loaders and talk about them. In fact, we often end up talking about all kinds of guns, with some history and humor thrown in. If you would like to get into muzzle-loading or have questions about it, please stop by. I cannot guarantee we could help with everything, but we promise to give it our best shot. We are proficient with pistols; traditional rifles, shotguns and inline guns. So, if you think you would be interested in learning how to get into muzzle-loading I encourage you to stop by on Monday nights. Thank you, Mike Kowalski. President of WWSC.

Astronaut Ducks, UFO's & Aliens are sighted at West Walker!!

Saturday the 24th of August, we had our "Final Frontier" Fun Shoot. First and Second place was a tight race. Ryan Helsel hit the ducks nine out of ten times. He took first place. Second place went to Jeff Tatreau who paced Ryan, but got eight ducks. Michael Kohl took third place. The rest of us all had our troubles hitting the comm badges and the bouncy little UFO's.

There are only two more fun shoots scheduled. Join us in September for "Fall Festival Favorites" and in October for "Shooting Spooks".

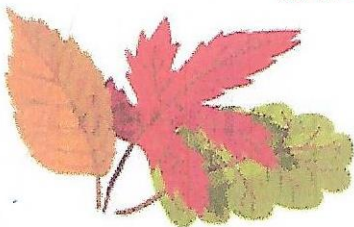

It is always fun to meet other pistol shooters and try your hand a crazy targets.
