**Support and Pray
For Our Troops**

We are attempting to do this as safely as possible. We would like to be clear that we are not responsible for your safety, if you are concerned for your health please stay home. There will be a few new rules put into play. We ask that you respect social distancing in all circumstances. Make sure to read the sheets posted on doors regarding procedures we would like followed. At this time there are no firearms or ammo allowed inside the buildings.

Please remember we are a volunteer organization. It can be challenging to staff our ranges - we are trying our best. At times a range monitor has missed a shift, or we couldn't find a volunteer, so if you are driving a distance please call ahead (616-453-5081) to make sure a range monitor is on duty. In inclement weather there may or may not be a monitor on duty, so call ahead. And always remember, YOU can volunteer your time to help keep our club running.

Please thank the people who have stepped forward to keep our club open and thank you for your patience as we attempt to operate in a safe manner.
