A big thanks to all that helped on our annual workday, we had over 50 people show up and we were able to get a lot done. There were people working all over the club inside and out. The indoor pistol range had ventilation put in. The 7-yard range was cleaned and most of the lead was removed from the berm. There will be some major changes coming to the 25-yard range during the summer, more information coming soon. We repurposed the broken clays from the trap and skeet fields to extend the path to the five-stand area. We had a group of people cleaning the fence around the property and another group that helped pick up trash between WWSC and Kinney St.

For the inside we had people deep clean the kitchen and bathrooms of both buildings. Changing light bulbs to LEDs and even a few people working on the attic of the clubhouse.

WWSC has over 1400 members that enjoy using our range and faculties, so the workday so an important part of keeping the club maintained, we have several projects that we try to get done all at once, but we have people working all year round to keep the club running smoothly.

SHOTDUN DESK

Attention

Beginning Wednesday April 21, 2021

You must sign-up at the clubhouse desk on squad sheets before each round of shooting. This applies to each round that you shoot. This is being done to assure fair access to all shooters. Please limit squads to five (5) shooters, ONLY. You must be ready to shoot when you sign-up. Thanks for your cooperation in this matter.

WWSC Board of Directors

This is for all shotgun shooting, in the past it was not done on Wednesday morning, but it will be done all times from now on. This is being done as stated above because of concerns from the shooters as to why we have different ways of doing things, at different times, especially Wednesday mornings. Hopefully, this will solve that problem.

We had a Trap Protection shoot on April 11, 2021,
40 shooters participating. The results are as follows.

Event 1 winners: Ken Westveer and Mike Dykstra

Event 2 winners: Char Willyard and Dan Bradley

Event 3 winners: Dave VanKley and Char Willyard

Event 4 winners: Dan Bradley and Gordon Wiersema

This was a team event done by drawing for partners, at random.

A great time and fun was had by all shooters.

We will be having other events in the future, watch for details at the club.

Spring 2021 Youth Archery

West Walker Sportsman Club will be hosting youth archery opportunities during the Spring of 2021 at the outdoor archery range. The program will be 5 weeks of lessons Thursday evenings 4/29, 5/6, 5/13, 5/20 & 5/27.

This program is designed for beginner and intermediate youth to learn safety, proper archery form, and have fun. All equipment is provided, but own equipment can be used. Any students under the age of 8 will require a safety evaluation and approval by the instructors for safety reasons prior to being accepted into the program. Contact Jerry Schondelmayer for more information.

Given the current COVID 19 situation we may need to alter any part of our program due to State of Michigan or Federal Safety Guidelines.
