

## June 11, 2005 STEEL PLATE SHOOT

Thanks to all those who braved the hot and humid weather to throw some lead downrange at the June 11th plate shoot. We had eighteen shooters show up for a fast paced good time. Apparently the weather did not affect your shooting abilities, since only a couple of hostage plates were shot. There were some fast scores on the El Presidente course. Unfortunately, quite a few misses also, which upped the times. Watch that front sight folks, and you'll have far fewer misses and better times.

I want to thank all those who showed up to help put on this shoot. Without you guys to lend a hand, this would not be possible. Those wishing to help out or have any questions regarding the plate shoot can contact me at [pl8shootr@aol.com](mailto:pl8shootr@aol.com) (<mailto:pl8shootr@aol.com>)

Our next match will be July 9th. Show up at around 9:45 at the charter range for sign up, and we'll have the safety rules and course layout explained at 10:00. Hope to see a good crowd then, and remember folks, keep those trigger fingers outside the trigger guard. Chris Hackett
