

## August 13, 2005 STEEL PLATE SHOOT

It was a great turnout for our August match. We had 22 shooters on a cloudy but slightly humid day. Some great scores were shot, and some not so great. Mine being a classic example of not following my own advice. I thought I had plenty of ammo left over from shooting the practice round, so I went right back up to shoot the first timed round. I got all the way through until I got to the stop plate. All I needed was one more round, but guess what? Yup, I was out of ammo. DUH! Oh well, there's always next month.

I especially want to welcome Shell Groelsma for trying her hand at shooting one of the courses today. It was her first time doing something like this and I heard she had a lot of fun. Hope to see you next month Shell.

A reminder to all of you that next month's shoot will be part of our Field Day event. There will be lots of activities going on around the whole club. So bring your rifles and shotguns along, so that after you shoot the plates you can try some of the other fun things going on. We will probably be set up on the 25 yard range for this time only, so look us up.

I want to give special thanks to the folks who helped out with this match. For without them, the match couldn't happen. Rady Delgado, Kevin Morrison, Rick & Deb Heyt, Bob Dutmar, and Kurt Hopkins. Thanks a lot guys. Hope to see everybody next month, and remember, watch that front sight and keep your finger off the trigger until you're ready to shoot.
