

Want to join an exciting new group in West Michigan? Camo and Lace is a group of women who love the outdoors! From hunting and fishing to photography and cooking, we enjoy trying new activities and sharing our own adventures with other women. Whether you are just starting to experience the outdoors or have been playing in mud puddles since you were three years old, you're welcome to come along for some good times, great company, and lots of laughs!

Our primary purpose is to get women active in the outdoors. For many people, this means hunting and fishing. For others, it is camping, kayaking, and hiking. We hold many events throughout the year to introduce women to the outdoors and a broad range of activities. We may even take a break to sample some wine and chocolate along the way!

Take a look at some of the events we may propose for the upcoming year. But since the members make the decisions, we are always open for new ideas!

- Bike trail ride
- Camping
- Charter fishing on Lake Michigan
- Cross country skiing
- Deer and pheasant hunting trips
- Fun with guns day
- Hunter's safety class
- Inland lake or river fishing
- Kayaking and canoeing
- NASCAR races
- Party boat perch fishing
- Shopping trip to Cabela's
- Trap and skeet shooting
- Wine and chocolate tasting

... and we've only just begun to brainstorm!

Camo and Lace was founded in Genesee County, Michigan in 2003 as a non-profit organization, and we are excited to start the new West Michigan Chapter.

Please take a moment to join our organization and request a membership form. Or feel free to come and try one of our events before you decide to join.
