Pictures from the last outdoor airgun sucker shoot that was held on the first and last Sunday of the month in July, August and September. On Average we had 10-12 shooters, \$5 per round with a 60% payout for first place along with a 50/50 raffle. Great fun from all shooters. We will take a couple of months off and then start our indoor bullseye league shooting at the clubhouse on Friday nights in January!

Classified Corner

FOR SALE:

CZ 527 7.62x39 bolt action with Redfield 3x9 scope. Like New. Has a very nice Turkish Walnut stock. Has a 18.5 inch barrel and weighs roughly 6 pounds. This rifle also has a single set trigger which reduces the weight of the trigger pull. Without the single set being actuated the trigger pull is about 3-4 pounds. All in all, a very nice rifle. CZ stopped making these rifle about 4 years ago in favor of the current Alpha rifle series. This rifle is highly accurate and would make a great deer hunting gun. The 527 in 7.62x39 is engineered by CZ to fire steel cased ammunition and does very well with it. Don't choke on the price. You will not find a nicer rifle in this caliber, and you will not find one with a single set trigger either.

PRICE: \$850

Heritage Rough Rider 22lr/22mag single action revolver with adjustable fiber optic sights \$100
