IMPROVING YOUR SHOOTING EXPERIENCE

To provide a better experience at our shooting ranges we are pleased to announce that on Tuesdays during July and August all ranges will be closed for maintenance. The time will be used for mowing, weeding, and making upgrades and repairs. This will allow all members to enjoy top notch, well groomed, places to shoot. **This applies to trap, skeet, pistol, rifle, outdoor archery, and 3D archery.**

Come and join us

WOMEN'S ARCHERY GROUP

A small group of us enjoy getting together for archery practice at our indoor archery range, located at the clubhouse. Afterwards, we then go out to lunch to visit and catch up. The next archery practice will be Friday, August 15, 2025, at 1:00PM. We welcome beginners, women interested in trying it out, and experienced archers. We can also provide you with Bow & Arrows to try it out (right or left-handed). This is a fun & casual get together. We enjoy helping beginners on up. If you have any questions, feel free to contact Darla Westveer at DSWestveer25@gmail.com.
